

Practice 6: Using Example Signals

(page 63)

2. such as
3. For instance,

Practice 7: Identifying Main Points and Examples (page 63)

Example: Others play sports.

Main Point: The next benefit is creativity.

Example: Individuals with hobbies such as photography, travel, and music develop new talents and get ideas that they can use at school or in the office.

Main Point: Finally, interests outside of work can lead to a positive attitude.

Example: For instance, when volunteers help children learn to read, they feel wonderful about what they have achieved. Then they feel like working harder when they return to their regular responsibilities.

Practice 8: Identifying Effective Concluding Sentences (page 65)

b

Practice 9: Writing Effective Concluding Sentences (page 66)

Answers will vary.
