However

However hard I try, I can't seem to please him.

However difficult the task may be, we must complete it.

However late it is, I'll wait for you.

However carefully you plan, something can still go wrong.

Whatever

Whatever you say, I won't change my mind.

Whatever happens, we'll get through it together.

Whatever you do, don't open that door.

Whatever they decide, we have to respect their choice.

Whatever mistakes you've made, you can always start over.

Whoever

Whoever comes to the party, we'll welcome them warmly.

Whoever says that is wrong.

Whoever wins the election, nothing will really change.

Whoever tries to stop us will regret it.

Whoever you choose, make sure you trust them.

Lesson 27: 譲歩のフロー 5

Whether or not

Whether or not it rains, we'll go hiking.

I'm going to the meeting **whether or not** he comes.

Whether or not you agree, we've already made the decision.

I don't know **whether or not** she will attend.

Whether or not we succeed depends on our teamwork.

Even if ~

Even if it rains, I'll go for a walk.

Even if you apologize, I won't forgive you.

Even if I fail, I'll try again.

Even if he invited me, I wouldn't go.

Even if you're busy, you should take a break.
