

PRACTICE 6: Identifying the Audience (page 109)

A *Answers will vary. Possible answers include:*

The intended audience for the model paragraph is students who need tips for success in school. They could be students who have not been getting good grades or new students.

The topic sentence specifically states that the writer is an *experienced student* who has been in school and knows how to get good grades. Along with each step in the paragraph, the writer gives details that provide the kind of information that students with problems or new students might need.

B The intended audience is new international students.

Circled text: you and your classmates . . . put everything into your bag or backpack . . . Even if it is your first emergency situation

Try It Out! (page 110)

Answers will vary.
